Cancelled-but-not-refunded: money still on the books

MEDIUM

2 row(s) | ■4,800.00

These bills are cancelled but the patient's payment was never refunded — the original Receipt voucher still sits in revenue. Use Cancel & Refund to auto-issue a Payment voucher in one step.

High discount (>50% of subtotal)

LOW

3 row(s) | ■8,950.00

Bills where the applied discount exceeds 50% of subtotal. Usually approved by an admin but worth a CA spot-check.

Super-admin / override audit trail

LOW

2 row(s)

Every super-admin edit, deletion, and discount-override warning recorded in the period. Provided as-is for the CA's manual review.
