

CARE DIAGNOSTICS

REFUND, CANCELLATION, APPOINTMENT & SERVICE POLICY

This Refund, Cancellation, Appointment & Service Policy governs all diagnostic, radiology, pathology, laboratory, consultation support, imaging, reporting, online platform, and healthcare-related services provided by CARE DIAGNOSTICS (“Diagnostic Center”, “we”, “our”, or “us”).

By booking appointments, registering patients, making payments, accessing reports, or availing any services from the Diagnostic Center, the patient/attendant/user acknowledges and agrees to the terms mentioned below.

1. APPOINTMENT & REGISTRATION POLICY

1. All appointments shall be subject to availability of:
 - Machines/equipment,
 - Radiologists/doctors,
 - Technicians,
 - Reporting staff,
 - Emergency workload,
 - Operational conditions.
2. Patients are advised to arrive before their scheduled appointment time with valid identification and previous relevant medical records wherever applicable.
3. Delayed arrival may result in rescheduling depending upon workflow and queue status.
4. Emergency, ICU, stretcher, wheelchair-bound, pediatric, and medically urgent patients may receive priority at the discretion of the Diagnostic Center.
5. Certain investigations may require:
 - Fasting,
 - Prior preparation,
 - Renal function tests,

- Consent forms,
 - Clinical clearance,
 - Pregnancy declaration,
 - Removal of metallic objects, before initiation of the procedure.
-

2. CANCELLATION POLICY

1. Appointment cancellation requests shall preferably be made before initiation of the scheduled diagnostic or healthcare service.
 2. Once:
 - Imaging acquisition,
 - Sample collection,
 - Laboratory processing,
 - Contrast preparation,
 - Reporting workflow,
 - Consultation coordination,
 - Technician/radiologist allocation, has commenced, cancellation requests may not ordinarily be entertained.
 3. Emergency services, priority slots, and urgent investigations may not qualify for cancellation once confirmed.
 4. The Diagnostic Center reserves the right to cancel or reschedule appointments due to:
 - Technical issues,
 - Machine downtime,
 - Power failure,
 - Emergency cases,
 - Operational constraints,
 - Staff/radiologist unavailability,
 - Force majeure events.
-

3. REFUND POLICY

1. Refund requests shall be reviewed solely at the discretion of the Diagnostic Center administration.
2. Refunds may be considered only in situations such as:

- Duplicate payment,
 - Failed transaction with amount deducted,
 - Approved appointment cancellation,
 - Service not delivered due to technical or operational reasons,
 - Administrative error.
3. Refund requests based upon dissatisfaction with medical findings, imaging interpretation, laboratory values, radiological opinion, or diagnostic conclusions shall generally not qualify for refund once the service has been rendered.
4. Once:
- Scan acquisition,
 - Laboratory processing,
 - Sample collection,
 - Consultation,
 - Reporting workflow,
 - Image reconstruction,
 - Film printing,
 - Digital upload, has commenced or been completed, the service shall ordinarily be considered utilized and non-refundable.
5. **All approved refunds shall be subject to a mandatory deduction of 25% of the total paid amount towards administrative, operational, booking, reporting, staffing, processing, platform, and service-related expenses.**
6. The remaining eligible refund amount shall ordinarily be processed within approximately 7–15 working days depending upon payment gateway and banking timelines.
7. Refunds shall generally be processed through the original payment mode wherever feasible.
8. The Diagnostic Center reserves the right to reject refund requests involving:
- False claims,
 - Policy violation,
 - Misconduct toward staff,
 - Delayed reporting,
 - Non-attendance without prior information,
 - Incomplete patient details,
 - Services already rendered.
-

4. VIP / PRIORITY SERVICE POLICY

1. The Diagnostic Center may provide a separate VIP / Priority Service Facility for patients requesting expedited workflow, reduced waiting time, priority reporting, or accelerated service coordination.
 2. All VIP / Priority patients shall be managed through a separate designated queue/system to minimize disruption of the regular patient workflow.
 3. VIP / Priority services shall not ordinarily interfere with:
 - Emergency cases,
 - ICU patients,
 - Clinically urgent cases,
 - Pediatric emergencies,
 - Senior citizen medical priority,
 - Critical care workflow.
 4. Charges for VIP / Priority services, including queue-jumping or expedited workflow requests, shall be **double (2×) the standard prescribed charges** applicable for the respective investigation or service.
 5. Payment of VIP / Priority charges does not guarantee immediate service in situations involving:
 - Medical emergencies,
 - Equipment downtime,
 - Emergency prioritization,
 - Technical delays,
 - Mandatory clinical protocols,
 - Force majeure situations.
 6. VIP / Priority services shall remain subject to operational feasibility and administrative approval.
-

5. REPORTING & RESULT DELIVERY POLICY

1. Report delivery timelines communicated by the Diagnostic Center are estimated timelines only and may vary depending upon:
 - Case complexity,
 - Additional imaging requirement,
 - Requirement of senior review,
 - Technical processing,
 - Emergency workload,

- Clinical correlation requirements.
 - 2. The Diagnostic Center reserves the right to delay report issuance if repeat imaging, additional sequences, second opinion, quality review, or further verification is considered necessary in the interest of patient care.
 - 3. Online reports, PACS images, digitally signed reports, films, WhatsApp reports, email reports, and printed reports shall be considered delivered once made available through the designated system/platform.
 - 4. Patients are advised to clinically correlate all reports with their treating/referring doctor.
-

6. PATIENT RESPONSIBILITY

Patients/attendants are responsible for:

- Providing accurate demographic and clinical details,
- Informing regarding pregnancy, implants, allergies, pacemakers, renal disease, or other relevant conditions,
- Following preparation instructions,
- Carrying previous investigations wherever relevant,
- Maintaining proper conduct with staff and other patients,
- Reporting discrepancies immediately.

The Diagnostic Center reserves the right to refuse service in cases involving:

- Misconduct,
 - Violence,
 - Abuse toward staff,
 - Damage to property,
 - Threatening behaviour,
 - Violation of institutional rules.
-

7. LIMITATION OF LIABILITY

1. Diagnostic and radiological interpretations are based upon:
 - Clinical details provided,
 - Available imaging/laboratory findings,
 - Technical quality of acquired studies.

2. The Diagnostic Center shall not be liable for:
 - Clinical decisions taken solely on the basis of reports,
 - Delays caused by technical or operational interruptions,
 - Internet/server downtime,
 - Force majeure events,
 - Incomplete history provided by the patient/referring doctor.
 3. All reports should be interpreted in conjunction with clinical findings by the treating physician.
-

8. DATA PRIVACY & CONFIDENTIALITY

1. Patient information shall be handled with reasonable confidentiality in accordance with applicable laws and operational requirements.
 2. Reports and patient data may be shared only:
 - With authorized patients/attendants,
 - Referring doctors,
 - Legally authorized entities,
 - Government authorities when required under law.
 3. The Diagnostic Center shall not be responsible for disclosure resulting from:
 - Incorrect contact information provided by patients,
 - Unauthorized sharing by attendants,
 - Technical breaches beyond reasonable control.
-

9. RIGHTS RESERVED

The Diagnostic Center reserves the absolute right to:

- Approve or reject appointment/refund requests,
 - Modify operational workflow,
 - Revise pricing,
 - Change reporting timelines,
